Subject: TBS/Eastern Heating and Cooling Maintenance Agreements

The 2016-2017 Maintenance Agreement for TBS and Eastern Heating and Cooling are on the August 1, 2016 agenda for approval. The agreements are in compliance with the district's Standardization Resolution.

TBS covers maintaining of heating and air conditioning controls at HBE, ASK and the High School. The contract amount is also awarded as a state contract. The amount of the agreement is \$21,800.

Eastern Heating and Cooling covers monitoring of heating and air conditioning controls at the Middle School. The amount of the agreement is \$10,350.

Although policy does not require board adoption of the agreements, due to the amount of the TBS agreement should additional services be required for support, the threshold could be exceeded.
